

How to Cancel Your Myspace.com Account

By your name and picture on the front page login screen click "Account Settings"

Change Account Settings

NOTE: Changing your default email or name can r to find or recognize you on Myspace

[-View My Profile-](#) [-Edit My Profile-](#) [-Cancel Account-](#)

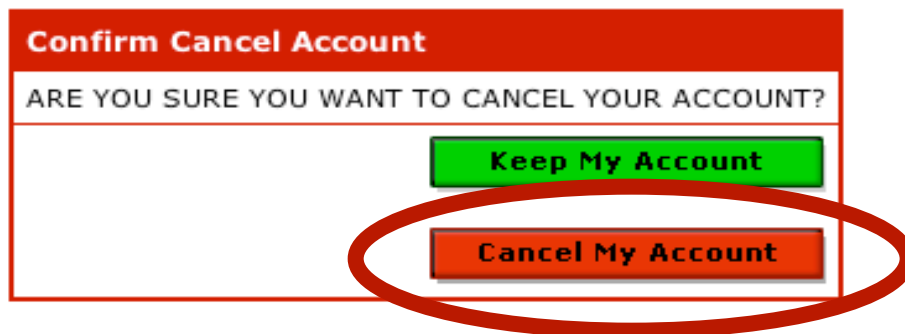

My Account Settings

Then click "cancel account"

Cancel MySpace Account

WARNING: Cancelling your MySpace account will **PERMANENTLY REMOVE** all of your profile information from MySpace, including your photographs, comments, journals, and your personal network of friends. This information cannot be restored.

You may re-register your current email address after cancelling, but you will need to rebuild your personal network from scratch.

Then click the Red "Cancel My Account"
