

Medicaid Waiver Discussion Record

Student: _____

Age: _____

School Year: 200____ - 200_____

There are seven Medicaid Waivers in Virginia. The two most common are the DD Waiver and the MR Waiver. The purpose of the Waivers is to support people with moderate to severe disabilities as they live as independently as possible in their community. Waivers provide a funding stream for both day supports and residential supports.

Please complete the following survey to assist us in meeting your goals.

1. My child is receiving Medicaid Waiver services.

Yes _____ No _____

If Yes, what kind of Waiver?

DD _____ MR _____ Other _____
