§504 of the Rehabilitation Act of 1973 (as amended) Handbook

The purpose of this document is to provide Rockingham County Public Schools faculty, Student Study Committee members, and families with information, policies and procedures needed when considering §504 support for students. District forms needed for specific components of the §504 eligibility process as well as other support documents are included. Please note that forms found in the Special Education Handbook (available on the Rockingham County Public Schools website) and not found in this Handbook (such as the “30 series”) are also necessary for eligibility.

If you have any questions regarding this document you may contact the Director, Pupil Personnel Services.
